

MY Learning Goals Clip Chart

HOW TO USE

Print out each page on paper or cardstock and laminate.
Hang in a vertical line with space on either side to place a
peg with your child/children's name on it and move it up
and down accordingly as they set goals.

This document is for individual and personal use only. You
may save this on your computer and print it to use in your
home. It is not to be reproduced or distributed in any form.

If you love it and want to share it with your family and
friends, please direct them to our website so they can
obtain their own copy.

Thank You.
