

Milkshake Shop

project pack – toddlers and preschoolers

Take on the role of a shop owner and/or customer and discover the world of Dramatic PLAY. From setting up a shop to making and serving milkshakes, to creating your very own milkshake recipe, to learning about how milk is made and where it comes from.

This pack is part of a growing bundle of Project Packs. I created this resource for the members of the Project PLAY membership as a tool to support them with daily PLAY in their homes.

In this resource you will find:

- 2 x Dramatic PLAY Ideas
- 2 x Science Investigations
- A series of printable resources from walls that teach displays (word wall) to table learning resources to create a dramatic PLAY Milkshake Shop (desk cards).
 - A weekly PLAY Planner to plan out the week using these resources.

Our PLAY ideas in this pack are nothing new, they are simple, quick and easy play ideas to boost Science concepts, explore imaginative play (when set up as a dramatic PLAY centre) and help with nurturing the flow of PLAY (by having a project to investigate over time).

I hope this resource is helpful when boosting daily play and nurturing the flow of PLAY in your home.
