

# Visual Timetable

Printable for at home

# Visual Timetable

A Visual Timetable is a display using photos, pictures, words, symbols showing depicting what is happening in a set period of time. They are a great learning tool to support little ones in becoming more confident within daily routines.

I created this resource for the members of the celebratePLAY community as a tool to support them with daily PLAY in their homes.

This resource includes:

- 54 x cards depicting various parts of the daily routine (pastel set)
- 54 x cards depicting various parts of the daily routine (monochrome set)
- 54 X cards depicting various parts of the daily routine (pastel with monochrome set)

I hope this resource is helpful when boosting daily play and nurturing the flow of PLAY in your home.
