play notes

This ebook is part of a growing bundle of monthly sets of daily PLAY Plans. I created this ebook for the members of the Project PLAY membership as a tool to support them with building a legacy of daily PLAY with the early learners in their homes.

In this resource you will find:

- 1 x ebook including a monthly daily play calendar with play ideas
- A series of pages for you to write and journal your progress – a goal setting page, an observation page and a celebrating the wins page. This is a working ebook allowing you to jot down ideas and to document the moments spent together in celebrating PLAY.
- FREE Access to the Project PLAY members only FB group along with the other Mummas that have joined the membership too.

This resource is designed with ideas to use in daily play, but we know how busy motherhood can get, so don't fret if you miss a play idea. Save it for another time for when it is needed. The aim of this resource is to help, support and save you time when thinking of what you can do with your little learner/s.

Our PLAY ideas are nothing new, they are simple, quick and easy play ideas to help maintain consistency when nurturing the flow of PLAY.

I hope this resource is helpful to when boosting daily play in your home.
