project play pack – toddlers, preschoolers and early schoolers

Take on the role of a firefighter in a fire station (pretend play), to a firefighter helping members in the local community (soft toy crowd), to washing fire trucks, to an artist creating a fire truck artwork, to a firefighter experimenting with water and discover the world around you with an investigative question to research. This pack is part of a growing bundle of Project PLAY Packs. I created this resource for the members of the celebratePLAY community as a tool to support them with daily PLAY in their homes.

In this resource you will find:

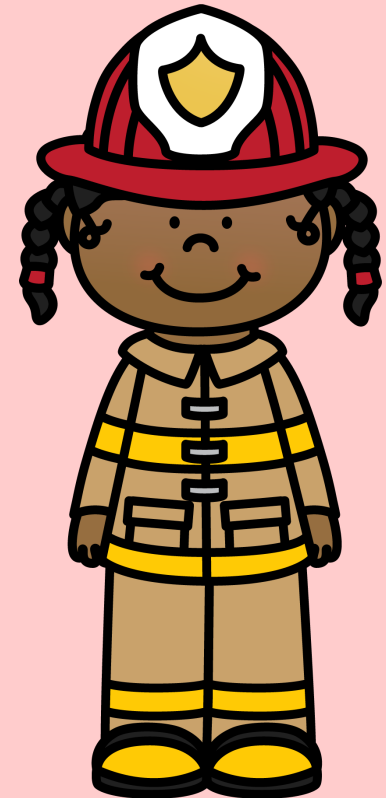

- 1 x Dramatic PLAY Ideas
  - 1 x Art Idea
- 1 x Small World PLAY Idea
- 1 x Sensory PLAY Idea (BONUS)
- A series of printable resources from walls that teach displays (word cards) to table learning resources.
  - A weekly PLAY Planner to plan out the week using these resources.

Our PLAY ideas in this pack are nothing new, they are a series of simple and fun projects to work on over an extended period of time. Learners will apply knowledge and understanding by investigating an engaging and meaningful question .

I hope this resource is helpful when boosting daily play and has your little one's eyes sparkle with joy.
