Project PLAY Pack - Toddlers, Preschoolers + Early Schoolers

Kindness + Daily Manners Time

*project play pack – toddlers, preschoolers and
early schoolers*

Take on the role of a kindness/daily manners shop owner, to a detective that finds people using daily manners, to a designer building a kindness/daily manners wall, to a reader of books about kindness and discover the world around you with an investigative question to research. This pack is part of a growing bundle of Project PLAY Packs. I created this resource for the members of the celebratePLAY community as a tool to support them with daily PLAY in their homes.

In this resource you will find:

- 1 x Dramatic PLAY Idea
- 1 x Science PLAY Idea
- 1 x Craft PLAY Idea
- 1 x Reading PLAY Idea
- A series of printable resources from walls that teach displays (word cards) to table learning resources.
 - A weekly PLAY Planner to plan out the week using these resources.

Our PLAY ideas in this pack are nothing new, they are a series of simple and fun projects to work on over an extended period of time. Learners will apply knowledge and understanding by investigating an engaging and meaningful question .

I hope this resource is helpful when boosting daily play and has your little one's eyes sparkle with joy .
